Dear Sir:

Pursuant to 37 C.F.R. § 1.97(c), applicants bring to the attention of the Examiner the documents listed on the attached Form PTO-1449, and respectfully request that the listed documents be considered by the Examiner and made of record in the above-captioned application. Copies of the references listed on the Form PTO-1449 are enclosed.

Applicants respectfully confirm pursuant to 37 C.F.R. § 1.97(e)(1) that each item of information contained in the information disclosure statement was cited in any communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of the instant information disclosure statement.

If the Examiner applies the documents as prior art against any claim in the application and applicants determine that the cited documents do not constitute “prior art” under United States law, applicants reserve the right to present to the Office the relevant facts and law regarding the appropriate status of the documents.

No fee is believed to be required since neither the Final Office Action nor the Notice of Allowance have been generated for the present application, and Statement Under 37 C.F.R. § 1.97(e)(1) is provided herewith. However, if any fee is due for this submission, or if any overpayment has been made, the Commissioner is authorized to charge any such fee or credit any overpayment, to our Deposit Account No. 50-2054.

Respectfully submitted,
